

DOTr partners with Seaoil PH to provide P405 thousand worth of free fuel for buses participating in its free ride service

Starting Monday, 13 April 2020, additional fuel subsidies will be provided to bus units participating in the Free Ride for Health Workers Program of the Department of Transportation (DOTr).

This, after Seaoil Philippines has pledged to provide, until 30 April 2020, free fuel worth P 405,000 to bus units ferrying medical frontliners under the DOTr's free shuttle service.

The DOTr has announced that 15 bus units participating in the program can avail of up to 50 liters of free fuel daily, which translates to P22,500 per day or a total of 13,500 liters amounting to P405,000.

"We are very grateful to Seaoil Philippines for providing fuel subsidies to the bus units of our free ride program. Malaking tunglo po ito, hindi lang para sa amin, o sa mga bus, kung CleanFuel will also

di makasisiguro rin tayo na maitataguyod natin ang serbisyo publiko para sa mga medical frontliners sa gitna ng COVID-19 pandemic," DOTr Secretary Arthur Tugade expressed.

To recall, DOTr earlier partnered with Phoenix Petroleum, Petron Corporation, CleanFuel, and Total Philippines for fuel subsidies for bus units participating in the free ride program for medical frontliners.

Phoenix Petroleum has agreed to provide 50 liters of fuel daily to sixty (60) private bus units participating in the free ride program.

Meanwhile, the Petron fuel subsidy, which was made possible through the donation of San Miguel Corporation (SMC) Infrastructure, will give sixty (60) bus units an allocation of 50 liters of fuel each day.

provide 40 liters of fuel for 20 bus units for free, while Total has allocated free fuel subsidies to 30 participating bus units at PhP1,000 per unit, or vehicle.

Prevention of forest fire amid COVID-19 pandemic

(From page 6)

on the heels of a grass fire that has affected a portion of the Kaliwa Watershed Forest Reserve at Barangay San Andres in Tanay, Rizal on April 5.

The fire swept through 10 hectares of bush and grassland that served as a site for the National Greening Program in 2013 and was planted with pioneering species of kakawate, more commonly known as madre kakaw. The area is now dominantly covered with grass.

According to Rizal Provincial Environment and Natural Resources Officer Isidro Mercado, the grass fire occurred within the 550-hectare property of the provincial government of Rizal under its "Palayang Bayan" project within the Kaliwa Watershed.

Initial investigation showed that the six-hour grass fire may have been caused by the practice of residents to smoke honeycombs on trees to collect honey. It was also possible that passersby intentionally set fire the area since no kaingin activity was seen in the periphery of the grass fire.

Mercado said his of-

fice is now in the process of identifying the culprits and assessing the cost of the damage.

Patrol operations in the area are also being intensified to prevent a recurrence of the incident, he added.

Cimatu, meanwhile, said the DENR prioritizes strict monitoring for potential outbreak of forest fires in protected areas given their importance in ensuring sufficient water supply and which also function as habitat for endangered and threatened species of plants and animals.

"Protected areas are essential to biodiversity conservation," Cimatu pointed out. "Our quick response workforces are constantly on alert to protect these homes of our threatened and endangered species from illegal activities that benefit a few."

Cimatu said that while the dry season creates favorable conditions for forest fires, starting a fire is the work of humans, either deliberately or by accident.

Even before the entire island of Luzon was placed under ECQ to stop the spread of COVID-19, the DENR had already

mobilized its workforces for quick response law enforcement, especially against forest and wildlife crimes. Source: denr.gov.ph

hicles driven by medical frontliners at Php300 per unit until 17 April 2020.

The free ride for healthworkers program covers medical com-

munities in the National Capital Region (NCR), as well as in regions 1, 2, 3, 4-A, 4-B, 5, 6, 7, 8, 9, 10, 11, 12, CAR, and CARAGA.

As of 09 April 2020, (DOTR)

the free ride program already transported 35,873 health workers residing in NCR, and 87,702 from other regions, for a total of 123,575 medical workers.

City Government of Bacoor

The Local Government of Bacoor City has put up a misting tent for disinfection for Bacooreño in Zapote Market. All buyers are expected to stop by after shopping to ensure they are disinfected before they return home.

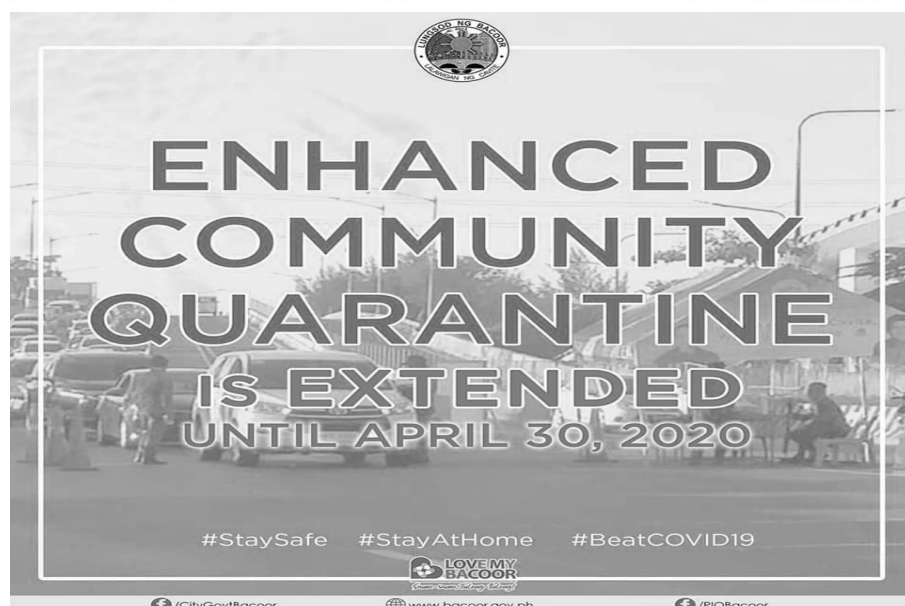

Let's make sure to bring our quarantine passes if we go to the market and wear a mask. Can also wear gloves and face shields if possible. Also follow Social Distancing Enforcers deployed in the market to keep one to two meters away from each. #LoveMyBacoor #AlagangAteLani

City Government of Imus

Binigyan po natin ng Foodpacks ang ating mga Garbage Collectors na isa sa ating mga FRONTLINERS upang hakutin ang ating mga basura para mapanatili ang kalinisan ng ating nasasakupan laban sa COVID-19.

Hindi alintana sa kanila ang Init, Pagod at Maghakot ng Basura mapaglingkuran lang tayo para maging malinis ang ating lugar.

Ang Foodpacks ay galing po sa CITY OF IMUS POLYTECHNIC INSTITUTE (CIPI) Employees :)

Maraming Salamat po sa inyong walang tigil na serbisyo para sa Bayan at Mamamayan.

Garbage Collectors are Frontliners too, serving for the cleanliness of our community

Saludo po ako sa inyong Tapat na Serbisyo para sa Bayan !#BuhayFrontliner #WeHealAsOne#WeServeWeAct#ParaSaBayanAtMamamayan

Municipality Naic, Cavite

Message to the Nation:

For the knowledge of my beloved Naicueños, the National Government program called Social Amelioration Program will provide Php 6,500.00 to the 16,513 beneficiaries in our nation. (All constituents of Region 4 A have fixed rate of Php 6,500.00 only.)

Our DSWD with the League of Barangays will start sharing forms for the said program. For the 16,513 beneficiaries, our 4 P's will be automatically deducted if only 12,661 beneficiaries are left for the 30 brgy's of Naic. (The 4 P's have received their Social Amelioration last March 26, 2020 and April 2, 2020.)

Your servant knows this is not enough because only 30-40 % can be given to every barangay if I ask our Nation to submit a Resolution that will react or transfer funds of our Municipal Aid or help those who can't join the beneficiaries. In this Resolution we provide financial assistance to almost five thousand tricycle drivers and as I mentioned earlier today is financial assistance to those who are qualified but not blessed to be included in the beneficiaries of the National Government's Social Amelioration Program.

Cavite Mayors League with our beloved Governor Jonvic Remulla continues to make a way to ask our President to increase the number of beneficiaries of Social Amelioration Program in all towns. But this is not yet assurance because we do not know what the decision of the National Government will be if we are better to make a way to the reach of our Local Government.

Once again I please follow social distancing and stay at home policy. We are all in our hands, victory depends on this fight of ours in Covid 19.

Major June C. Dualan

Many thanks to Frabelle who shared fresh fish again today for the Bacooreño.

Started giving them away to the Molino 3 living in Sitio Ibayo, Holy Infant, Vizcara 1, Vizcara 2, Celebrate, Green Valley Proper, Freedom, and Sampalukan. An estimated 3,070 families will benefit from this beautiful Frabelle offering.

Thank you so much Mayor Lani Mercado Revilla, Senator Bong Revilla Jr., and Vice Governor Jolo Revilla who keep in touch with private companies like Frabelle, to reach blessings like this to the Bacooreño.

The concern and love you show to the Bacooreño is non-negotiable more than those in need.

DepEd Commons now available for private school learners

(From page 1)

can be used as supplementary instructional tools that are accessible either online or downloaded for availability offline.

"As we had overwhelming support from learners, teachers and parents, we urge the private schools to do their share in

transforming our platform by contributing meaningful learning experiences to all kinds of learners. With your help, our ICT Service will continue to innovate and improve this exciting project," Usec. Pascua noted.

DepEd highly encourages the use of DepEd

Commons during this crisis where face-to-face instruction is impossible although the online platform is given as an option only for those who have access to internet and equipment such as smartphones, tablets, laptops, and desktop computers. Source: deped.gov.ph
