Laboratory for COVID-19 daily testing will increase - DOH

The DOH today reported that, with the opening of the Lung Center of the Philippines (LCP) laboratory for COVID-19 testing, it expects an increase in the country's daily testing capacity, once the Research Institute for Tropical Medicine (RITM) has validated their results.

The news was announced by Health OIC-Undersecretary Maria Presser, during the gram hosted by PTV-4 to partners in combating the COVID-19 pandemic. DOH is conducting the hospitals and laboratories. COVID-19 testing accred- Among the 46 government itation process of other (Turn to page 2)

IBA ANG HANDA!

Mga Dapat Dalhin at Gamitin para iwas Covid-19

Paalalang pangkalusugan mula sa Provincial Government of Cavite

DOH HEALTH ADVISORY

SIGURADUHING MERON ITO!

SABON

Panghugas ng mga kamay! Siguraduhing merong sabon sa bahay, eskwelahan, opisina at iba pang establishment.

*banlawan ng umaagos na tubig

KAYA NATING MAIWASAN ANG COVID-19!

DOH HEALTH ADVISORY

MERON KA BA NITO?

ALKOHOL

Panglinis ng mga kamay pagkatapos bumahing o umubo kung sakaling walang sabon at tubig.

*malinam pa din ang maghugas ng mga kamay!

KAYA NATING MAIWASAN ANG COVID-19!

DOH HEALTH ADVISORY

GUMAMIT KUNG MAY KARAMDAMAN:

FACE MASK

Gumamit ng facemask para hindi makahawa ng iba.

*Ang parte ng mask na may kulay ang ayung makalabas. Ugalin ding maghugas ng mga kamay!

KAYA NATING MAIWASAN ANG COVID-19!

DOH HEALTH ADVISORY

DALHIN ITO!

TISSUE O PANYO

Pantakip sa ilong at bibig sa tuwing babahing o uubo.

*Itapon sa tamang basurahan ang nagamit na tissue at labanan ng madalas ang nagamit na panyo

Delivered to San Metropolitan Doctors Association, St. Benedict Dialysis Center, Philippine General Hospital, LCP, and St. Camillus Medical Center Pasig.

It was announced that the DOH has also procured additional PPEs. The first batch of 200,000 PPEs is expected to arrive between April 1 to 6, while the second batch of 700,000 PPEs should arrive between April 6 to 24. These PPE sets will be delivered to the Office of the Civil Defense (OCD), who will assist in bringing these supplies to the different COVID-19 referral hospitals and to other regions outside of Metro Manila.

Towards the latter half of the presser, the Health OIC-Undersecretary thanked the Philippine National Police (PNP) for its full support to health

HEALTH WORKERS, BAGONG BAYANI. HUWAG NATIN SILANG KAMUHIAN, PANDIRIHAN, AT IPAGTABUYAN. KILALANIN NATIN ANG KANILANG KABAYANIHAN. SILA ANG ATING PAG-ASA!

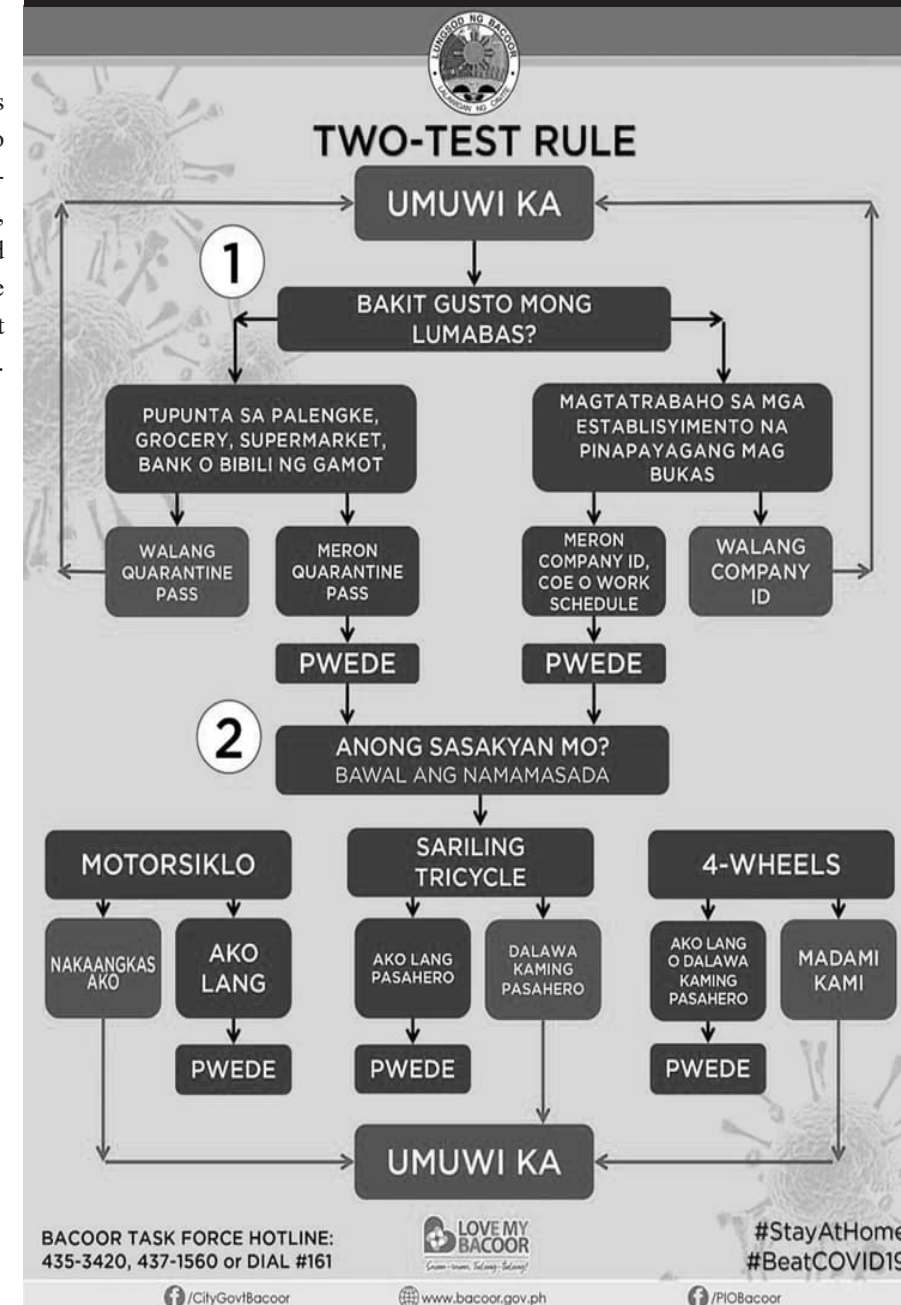

Ang aming tanggapan ay nakatatanggap ng mga hinaing at reklamo mula sa mga kawani ng Pagamutan ng Dasmariñas at iba pang health workers. Sila ay dumaraing sapagkat pinagtatabuyan na umano sila sa kani-kanilang komunidad, lalo iyong mga nakatira sa subdibisyon. Ayon sa kanila, tila pinandirihan na sila ng kanilang mga kapitbahay dahil sa kalikasan ng kanilang trabaho kung saan may mataas na exposure sa mga Persons Under Monitoring (PUMs), Persons Under Investigation (PUIs) at maging sa mga mismong pasyente na positibo sa Coronavirus Disease 2019 (COVID-19).

Nakalulungkot isipin na sa halip na kilalanin natin ang kabayanihan at sakripisyo ng ating mga health workers na matapang na humaharap sa panganib ng COVID-19, sila ay nagagawa pang pandirihan at ipagtabuyan ng ilan nating kababayan. Kung mawawalan tayo ng mga barangay health workers, mga kawani sa ating pampublikong ospital, at sa mga pribadong health facilities, tayo din ang mahihirapan.

Ang sinumang LALABAG sa karapatan ng ating mga health workers na umuwi at patuloy na manirahan ng mapayapa sa kani-kanilang tahanan ay sasampahan ng kaukulang demanda ng ating Pamahalaang Lungsod.

CUMULATIVE REPORT FROM MARCH 17, 2020 UP TO PRESENT

TB Patients undergoing treatment advised to get 1 month supply of medicine

Department of Health (DOH) Secretary Francisco Duque III today urged Filipinos undergoing treatment for active tuberculosis (TB) disease to get their free medicines good for one month instead of going to the health facility for their daily dose of TB medicines.

The move is in light of the Enhanced Community Quarantine enforced in Luzon and other parts of the country because of the 2019 novel coronavirus disease (COVID-19) pandemic.

DOH issued a Department Memorandum mandating health workers in government TB clinics to allow “enrolled patients to take home one-month supply of anti-TB medications.” Since the start of 2020, about 37,500 patients have started their treatment regimen. In 2019, close to 330,000 Filipinos were enrolled for TB treatment.

“Those with TB are at higher risk of getting COVID-19. We are rolling out measures for their uninterrupted regimen,” said Secretary Duque. Old age, malnutrition, heavy smoking, weak immune system, being a person living with human immunodeficiency virus (PLHIV), and chronic conditions like diabetes and renal disease increase the risk for people to become vulnerable to both COVID-19 and TB.

The #TBFreePH campaign aims to increase conversations about TB and promote measures to eliminate the TB burden by 2035. The end goal is to reduce TB deaths by 15% from an estimated 26,000 in 2018 to 22,000 in 2023. USAID supports the Philippine government’s fight against TB through technical assistance worth over \$50 million from 2018 to 2023. Last year, USAID helped DOH treat more than 360,000 people with TB. “We salute our health workers who have gone more than the extra mile during this challenging period,” Duque said, recognizing the efforts of public and private health service providers for continuous health services, promotion and education. Preventive measures against TB are similar to those recommended to halt the spread of COVID-19, including cough manners, hand hygiene, and infection control at home and workplaces. TB kills more people globally than other infectious diseases like Acquired Immune Deficiency Syndrome (AIDS), measles, and COVID-19. Source: doh.gov.ph
